

VMFAT-501 Support,

Hello to all in this beautiful Florida sun! I didn't know the Marine Corps could send you to beautiful places like this! I wanted to take a minute and introduce myself to you; I am Roxie Emunson your Family Readiness Officer. I'll be working in the squadron and work directly for the LtCol Wellons.

Many of you have had civilian family readiness officers (CIV FRO) already so you know what my job will entail; some of you may never have had a CIV FRO. I'm hoping this letter will explain what I will be able to do for you and how the command intends on utilizing me.

FROs have these main duties:

- Official Communication and Family Outreach
- Information and Referral
- Volunteer Management Program
- Family Readiness Funding Administration

I like to take the Home Depot approach: *'You can do it, I can help'*

Official Communications will be in many forms i.e. emails, newsletters, MOL, website and much more. For the most part you will receive emails from me about once a week, sometime more, sometimes less. Emails will be about command functions, base information, volunteer opportunities and national resources. You will NOT receive information from me about private events or chain mail.

Your contact information will be kept confidential.

We are currently working on the next newsletter. If you enjoy writing or putting together newsletters please let me know.

I hope you enjoy your time here at Eglin and Florida. Please let me know if there is any way I can assist.

Semper Family,
Roxie Emunson
